Dear Board of School Trustees,

We are requesting approval of our updated Return to Instruction Plan. This plan is that we are returning to all traditional school operations due to the greatly reduced possible local impact of COVID. Our previous Return to Instruction Plan is available on the website for reference, and we will be adding this new update. This approval is required once every six months during the ESSER III grant funding period. The ESSER III grant expires in September 2024.

Thank you,

Carrie Manowitz
