All large, well-run and efficient organizations have a long-range strategic plan in place. The best plans are under continuous review and evaluation as the needs and circumstances of the organization change. Strategic planning serves a variety of important purposes in any organization, including to: 1.) clearly define the purpose of the organization and to establish realistic goals and objectives consistent with their mission in a defined time frame within the organization's capacity for implementation, 2.) communicate those goals and objectives to the organization's constituents, 3.) develop a sense of ownership of the plan, 4.) ensure the most effective use is made of the organization's resources by focusing the resources on the key priorities, 5.) provide a base from which progress can be measured and establish a mechanism for informed change when needed, and 6.) bring together everyone's best and most reasoned efforts, which will have important value in building a consensus about where an organization is going.

When a student has been absent for two or more days, he or she may obtain assignments for make-up work by phoning the Guidance Office at 346-5625 before 10:00 A.M., and making arrangements to have books and assignments picked up.

When a student returns to school following an excused absence, the student is responsible for asking the teacher for make-up work in each class. Failure to ask for make-up work or failure to satisfactorily complete and turn in make-up work within the time allotted will result in a loss of credit for missed work.

Following an absence, it is the student's responsibility to obtain assignments from ALL teachers from classes missed due to their absence.

If this is not provided, students will not be able to participate in school-sponsored events away from school.

Only those students with excused absences will be allowed to make up a final exam. Missed exams must be made up within a reasonable amount of time that is determined by the instructor. Students are expected to be in attendance for the full day when final exams are being given. **Final exams may not be taken early. In the event of a school closing during final exams, all exams will be taken and figured into semester grades.**

## FIRE, DISASTER, AND LOCKDOWN DRILLS

Drills are held on a regular basis. Each teacher will inform the students in his or her classes as to the proper procedure in the event of a drill. For a fire drill, students must leave the building in a quiet, orderly manner, and return when the all-clear signal is given. For a lockdown drill, students are to go to designated areas and follow teacher instructions until an all clear is given. For a disaster drill, students must go to the designated area and remain until the all clear signal is given. Any student found guilty of destroying, damaging, removing, or in any way tampering with any device or equipment that is installed to assure safety, will be, at the time of apprehension, suspended from school and recommended for expulsion. This rule will apply to such items as fire alarms, fire extinguishers, fire hoses, and other firefighting equipment, all communications equipment, and first-aid materials.

## FOOD SERVICE DEPARTMENT INFORMATION

### Jennings County Schools Procedure for Student Lunch/M meal Accounts

The USDA National School Lunch Program (NSLP) requires school food authorities to establish written administrative guidelines and procedures for meal charges. Jennings County School Corporation will adhere to the following meal charge procedure.

**All cafeteria purchases are to be prepaid before meal service begins. Cash and checks made out to your school are accepted for deposit.** Households with more than one child at the school may pay with one check, but must designate how much money is to go into each child's account. Different children in the same family may not share a meal account. To deposit money into their account at their school, the student will complete a meal account deposit slip. Your student will be provided with a copy of the deposit slip upon turning in the payment and deposit slip at their school. This is your proof of deposit.

Parents may also pay online using a debit or credit card by logging on to their Skyward account. Online payments will be available for your student's the same day the online deposit is made.

**Middle School and High School students may pay cash each day at the cash register, however, prepayments are highly encouraged at these schools.** If there is money left in your student's meal account at the end of the school year, it will be available to for your student to use during the next school year.

- Schools at all levels will provide one reimbursable breakfast per day to students that are approved for Free Meals at no charge.
- Students that are approved for Reduced Priced Meals may purchase one reimbursable breakfast per day for \$.30.
- Students approved for Free or Reduced Priced Meals may purchase an additional breakfast each day for \$1.50.
- Students that are not approved for Free or Reduced Priced Meals will pay \$1.50 for each breakfast purchased.
- Schools at all levels will provide a reimbursable lunch to a student who does not provide the required payment for that lunch. Parents will be responsible for payment of all lunches provided.
- A student who has a negative meal account balance may not charge breakfast or "a la carte" item(s), including extra main entrees or extra milk. Your child may bring lunch from home and purchase milk, although there must be money in their meal account to pay for it.
- The automated email system will notify parents every day of any outstanding negative balance in the student's lunch/meal account. The school office will send home letters to parents of students who carry negative balances of \$10.00 and above. At the elementary school level, the student's meal account balance will be sent home on the weekly newsletter.
- A staff member or adult community resident shall not be permitted to charge meals.
- The food service director or other school personnel will coordinate communications with the parent(s)/guardian(s) to resolve the matter of unpaid charges.
- Parents may log in to Skyward at any time to see their student's meal account balances and purchases. A report of your child's deposits and purchases is also available upon request from your school's office.
- All accounts must be settled at the end of the school year. Letters will be sent home approximately 15 days before the end of the school year to students who have any negative balances. Negative balances of more than \$25.00 not paid in full at the end of the school year will force the Corporation to take action to collect unpaid funds by means of collection agencies, small claims court, or any other legal method deemed necessary by the Corporation.
- Students who graduate or withdraw from the corporation and have \$10.00 or more left in their lunch/meal food service account will be notified by mail by the school's office at the end of the school year and given the option to transfer the funds to another student or to receive a refund. If no response is received within 30 days, the student's lunch/meal account will close and the funds will no longer be available. Unclaimed remaining balances will be transferred to the school food service fund.

Students approved for free meals will be served a complete meal at no charge. Students approved for reduced price meals will be provided breakfast for \$.30 and lunch for \$.40. Applications for free and reduced priced meals are available in your school's office, on the school corporation's website at [www.jcsc.org](http://www.jcsc.org), or at the Superintendent's office. You may also complete and submit the application online on your student's Skyward account. **An application must be completed each school year. All students in your household must be listed on the same application, therefore please fill out only one application per family. Parents/Guardians are responsible for the full payment of meals until your application for free or reduced priced meals has been processed and you receive a determination letter from the Food Service Department office indicating that your child has been approved for free or reduced price meals.**

The Jennings County Schools Food Service Department may be reached at 812-346-4483.

***This Institution is an Equal Opportunity Provider.***

## **I.D. CARDS**

Each JCHS student is issued a photo identification card that is valid for his/her high school career. A student insurance policy is made available to all who wish to take advantage of it. The cost is nominal for all students in grades 9-12. Accident insurance claim forms may be obtained from the main office.

## **LOCKERS**

Locker combinations will be distributed on registration day. In the interest of safety for your personal possessions, DO NOT reveal the combination of your lock to other students. Students should use only their own locker. It is the student's responsibility to see that his/her locker is kept in a clean and orderly fashion and locked when unattended. Locker problems should be reported to the guidance office. Students will be responsible for replacement or repair if lockers are altered or damaged.

**Lockers are school property and will be searched along with their contents when there is reasonable suspicion or probable cause.** Students are responsible for all items brought to school. In order to insure security, expensive items or money should never be left in lockers. **The school assumes no liability for loss of stolen items.** Theft or damage to any student's personal property should be reported to an assistant principal's office.

## **MEDIA CENTER**

The media center is open to students from 7:00 A.M. to 3:30 P.M. A pass is required when using the center during class periods. A pass must be obtained from the teacher giving an assignment that requires the use of materials which are housed in the center. Students may use the center before school and during their lunch hour without a pass at the discretion of Library staff.

Books and back issues of periodicals are checked out to students for a two week period. Most materials may be renewed once by bringing them to the media center. The center's collection of non-print materials is available for in-the-center use by students needing them for research. A special collection of reference materials is available for overnight check out. Students are responsible for paying for lost or damaged material.

## **SCHOOL DANCES**

2. All high school dances are closed dances. They are not open to the public. One member of each couple must be a member of our school.

Students may bring only one guest. The guest list is subject to the approval of the school administration. Anyone bringing a guest to a JCHS dance is responsible for his/her behavior. Any outsider not signed up by a student will not be allowed to attend the dance.

5. No person shall re-enter after once leaving a school-sponsored dance.
6. Guests must be a high school student.
7. All dances that occur after sporting events shall conclude at 11:00 PM. Students not picked up by 11:30 P.M. may not be allowed to attend future dances.
8. Inappropriate dancing known as "grinding" will not be permitted.

## **FRESHMAN INDUCTION NIGHT**

JCHS will host a night during which time parents are encouraged to visit the school and meet with the teachers. The evening will begin promptly at 6:00PM and will take students and their parents through an abbreviated schedule allowing them to become acquainted with the teaching staff.

## **POSTERS**

Posters must be approved by an administrator prior to being displayed. Specific bulletin boards have been designated as display areas for the high school. Windows are not to be used to display posters. Posters or displays are to be removed on the day following the advertised event or activity by the sponsoring group or person(s).

## **BED BUGS**

The Jennings County School Corporation has a duty and obligation to make certain that each student has a safe experience while in our care. In order to exercise that care, students that come to school must be free from parasites while attending school. In the event it is determined that a student is infested with parasites, the student will be checked by qualified personnel for a period of ten days. Parents must transport the child to school to avoid casual contact with other students on the bus during this time frame.

## **SCHOOL NURSE AND HEALTH SERVICES**

If a student becomes ill at school, has an accident, or other emergency, he/she should report to the nurse's office. The student may rest there, or if he/she is ill enough to leave the school, the nurse will contact the parents and make arrangements for the student to go home. Under no circumstances is a student to use a cell phone, or other means to make these arrangements or to leave school without the proper permission from the nurse or administration. If a student chooses to make such arrangements on their own the absence will be unexcused and the student may face disciplinary action.

**Students who must take prescription drugs or medication must submit these to the nurse's office upon arrival to school.** Students are not to take medication until they submit a note from their parents stating the reason for the medication. This policy also includes over-the-counter medication or medicines.

## **MEDICATION**

It is school board policy that neither prescription medications nor over-the-counter medications, such as aspirin and cough syrup, may be dispensed by school personnel. Under special circumstances, school personnel may administer medication if the following guidelines are met. We will not administer any medication to a student that is not prescribed by a doctor and/or (in the case of over-the-counter medication) approved by the Food & Drug Administration.

1. Written permission of parents or guardian is given.
2. All medication is kept in the school office or in the office of the nurse.
3. Medication is in original container and labeled with: a) student's name, b) name of medicine, c) dosage, and d) doctor's name. Forms for giving medicine at school may be obtained from the school office. Telephone calls to parents confirming statements will be made when necessary.
4. A student with an acute or chronic disease or medical condition may possess and self-administer medication that must be administered on an emergency basis while the student is on school grounds or off school grounds at a school activity, function, or event if the student's parent files an annual authorization that includes a written statement from the student's physician for the student to self-administer the medication.
5. Medication that is possessed by a school for administration during school hours or at school functions for student in grades Pre K-12 may be released only to the student's parent or to an individual who is eighteen (18) years of age or older and who has been designated, in writing, by the student's parent to receive the medication, unless a doctor's note or Form 5330 F2 is completed granting permission to transport medicine to and from school.
6. A school corporation may send home medication that is possessed by a school for administration during school hours or at school functions with a student if the student's parent provides written permission for the student to receive the medication.

## **USE OF SUNSCREEN**

The Indiana General Assembly recently passed legislation requiring all public and charter schools to allow a student to possess and use a topical, non-aerosol sunscreen product by July 1, 2018. The law allows students to possess and use the sunscreen product while on school property, or at a school sponsored event or activity, without being required to have a physician's prescription or note or store the sunscreen in a specific location.

Messages will be delivered to students before the end of the day. Cell phones may be used during passing periods and at lunch for texting and internet use only (NO PHONE CALLS). Unauthorized use of a cell phone will result in the phone being confiscated and disciplinary action being taken.

## TEXTBOOK RENTALS

## **TECHNOLOGY AT JCSC - ELECTRONIC DEVICE/ USE AGREEMENT**

### **Appropriate Use of Technology**

*The purpose of this document is to inform parents, guardians and students of the rules governing the use of district and personal technology resources while on or near school property, in school vehicles, and at school-sponsored activities, as well as the use of district technology resources via off-campus remote access. Please read the following carefully before signing the JCSC Appropriate Use Form. JCSC reserves the right to modify the terms and conditions of this document at any time. The latest version of this document is available from the JCSC web site at [www.jcsc.org](http://www.jcsc.org) (located with registration forms).*

### **Introduction:**

Jennings County School Corporation (JCSC) is pleased to offer students access to district computers, communications systems (**which can include: e-mail, websites, blogging, wikis, podcasting, social networks, list-serves, and/or other emerging technologies**), the Internet and an array of technology resources to promote educational excellence. Each student is responsible for her/his use of technology, whether personal or district-provided. While using district and personal technology resources on or near school property, in school vehicles, and at school-sponsored activities, as well as using district technology resources via off-campus remote access, each student must act in an appropriate manner consistent with school, district, and legal guidelines. It is the joint responsibility of school personnel and the parent or guardian of each student to educate the student about his/her responsibilities and to establish expectations when using technology.

### **Using the Internet and Communications Systems:**

District technology resources are provided to students to conduct research, complete assignments, and communicate with others in furtherance of their education. Access is a privilege not a right; as such, general rules of school behavior apply. Access to these services is given to students who agree to act in a considerate and responsible manner. Just as students are responsible for good behavior in a classroom or a school hallway, they must also be responsible when using school computer networks or personal technologies. Students must comply with district standards and honor this agreement to be permitted to use technology.

All digital storage is district property, and as such, network administrators will review files and communications to maintain system integrity and ensure that students are using technology responsibly. Students should not expect that files stored on district servers will be private.

The educational value of technology integration in curriculum is substantial.

Access to the Internet will enable students to use extensive online libraries and databases. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate, profane, sexually oriented or potentially offensive to some people. While the intent is to make Internet access available to further educational goals and objectives, students may find ways to access these other materials as well. JCSC does not condone or permit the use of this material and uses content filtering software (Smooth wall) to protect students to the fullest extent possible. Parents and guardians must be aware that content filtering tools are not completely fail-safe and while at school, direct supervision by school personnel of each student using a computer is desired, but not always possible. Students are expected to use technology resources in a manner consistent with the rules below and will be held responsible for their intentional misuse. JCSC believes that the benefits of student access to the Internet in the form of information resources and opportunities for collaboration exceed any disadvantages. Ultimately, parents and/or guardians are responsible for setting and conveying the standard that their children should follow when using technology. If a student accidentally access inappropriate material, they should back out of the information at once and notify the supervising adult.

### **Proper and Acceptable Use of All Technology Resources:**

All district technology resources, including but not limited to district computers, communications systems, and the Internet, must be used in support of education and academic research and must be used in a manner consistent with the educational mission and objectives of JCSC.

#### **Activities that are permitted and encouraged include:**

- School work;
- Original creation and presentation of academic work;
- Research on topics being studied in school;
- Research for opportunities outside of school related to community service, employment, or further education

#### **Activities that are NOT permitted include:**

- Plagiarism or representing the work of others as one's own;
- using obscene language; harassing, insulting, ostracizing, or intimidating others;
- representing Copyright, Registered, and or Trademark materials as one's own work
- searching, viewing, communicating, publishing, downloading, storing, or retrieving materials that are not related to school work, community service, employment, or further education (thus, searching inappropriate materials is not permitted);
- Damaging or modifying computers or networks; intentional or neglectful transmission of viruses or other destructive computer files; hacking into district or external computers; intentionally bypassing district filters; connecting devices to school network to sniff out ip addresses and other network information.
- use of USB, bootable CDs, or other devices to alter the function of a computer or a network;
- subscription to any online services or ordering of any goods or services;
- use of personal e-mail accounts, non-district-provided e-mail accounts, on the district network;
- online sharing of any student's or staff member's name, home address, phone number, or other personal information;
- non-educational uses such as games, role-playing multi-user environments, gambling, junk mail, chain mail, jokes or raffles;
- participating in online chat rooms or using instant messaging, unless specifically assigned by a teacher;
- sharing or using passwords other than one's own password;
- use of district resources for commercial purposes, personal financial gain, or fraud;
- any activity that violates a school rule or a local, state, or federal law.

*Students are expected to report harassment, threats, hate-speech, and inappropriate content to a teacher or administrator. If a student has any questions about whether a specific activity is permitted, he or she should ask a teacher or administrator.*

#### **Privacy and Security:**

Students must use district technologies responsibly and in a secure manner. They must not share their logins, passwords, or access with others.

#### **Online Assessments:**

Student assessments may be conducted using technologies such as the Internet or audience response systems. Normally, students will use these technologies as part of their instructional day. Privacy and security, as defined above, along with confidentiality of assessment responses, are expected.

#### **Vandalism:**

Any intentional act by a student that damages district technology hardware, software, operating systems, or data will be considered vandalism and will be subject to school rules and disciplinary procedures. Any intentional act that requires a person's time to repair, replace, or perform corrective work on district technologies or data is also considered vandalism and subject to repair costs at the student's expense.

#### **Consequences of Misuse:**

Misuse of personal or district technology resources while on or near school property, in school vehicles, and at school-sponsored activities, as well as the use of district technology resources via off-campus remote access may result in disciplinary action up to and including expulsion. This document shall be used in conjunction with JCSC Board of Education policies and our school handbooks. In addition, the student's use of district technologies may be suspended or restricted. A school may temporarily hold (pending parental or same-day pick up) personal technology resources that are used inappropriately. Furthermore, intentional unauthorized access and/or damage to networks, servers, user accounts, passwords, or other district resources may be punishable under local, state, or Federal law.

### Reliability and Limitation of Liability:

JCSC makes no warranties of any kind, expressed or implied, for the technology resources it provides to students. JCSC will not be responsible for any damages suffered by the student, including those arising from non-deliveries, mis-deliveries, service interruptions, unauthorized use, loss of data, and exposure to potentially harmful or inappropriate material or people. Use of any information obtained via the Internet or communications technologies is at the student's own risk. JCSC specifically denies any responsibility of the accuracy or quality of information obtained through the Internet. The student and his/her parent/guardian will indemnify and hold JCSC harmless from any losses sustained as the result of misuse of the district's technology resources by the student.

### JENNINGS COUNTY SCHOOLS - Policy Statement: JBCBC

#### GRADUATION WAIVER WITH LESS THAN SEVEN SEMESTERS

Most students enrolled at Jennings County High School can realize a greater benefit from their secondary education by attending the full term (8 semesters). However, students who have completed all local and state requirements for graduation may graduate upon completion of seven semesters in high school. For extenuating circumstances the Department of Education has made provisions for requesting graduation for less than seven semesters in a four-year high school of grades nine through twelve. When these special circumstances appear to exist, a student may petition to the high school principal for such a graduation opportunity.

JBCBC – E (Exhibit to JBCBC)

#### WAIVER PROCEDURES

1. The student wishing to graduate with less than seven semesters must secure a recommendation from his/her guidance counselor and principal.
2. The waiver may be granted only under the following conditions:
  1. Failure to waive the requirement would effectively prevent the student from graduating from high school; or
  2. The student likely would have qualified for a gifted and talented education program and
    1. The waiver is for the purpose of enrolling in an accredited post-secondary educational institution, and the student has been accepted for enrollment; or
    2. The waiver is for the purpose of furthering the student's education through military enlistment and the student has an enlistment contract that contains an educational component.
    3. The counselor must communicate with the student's parents, explain the procedure to them, and receive approval. A Request for Early High School Graduation form must be completed, along with a counselor checklist.
    4. Prior to the effective date of the waiver, those students shall be permitted to participate in any curricular activity and shall enjoy the same rights and privileges as a regular student at Jennings County High School.
    5. After the effective date of the waiver, these students shall not be permitted to continue regular membership in school sponsored activities which require meetings on school time during the regular school day.
    6. After the effective date of the waiver, these students shall be permitted:
      - a. To attend school events where an admission is charged at regular student rate.
      - b. To attend Junior-Senior Prom

    7. Students completing work for graduation with less than seven semesters are encouraged to graduate from Jennings County High School at the same time and in the regular manner as seven/eight semester graduate.
    8. In the event the request for waiver is denied by the high school principal, such denial may be appealed to the school superintendent.
    9. In the event the request for waiver is denied by the superintendent, such denial may be appealed to the school board.

Cosmetology is a junior/senior half day program in which students may earn eight credits for each year's work. Cosmetology students will need to provide their own transportation due to their extended half day schedule. In accordance with I.C. 20-33-8-29d, disciplinary actions imposed by the Southeastern Career Center shall be reciprocated by Jennings County High School.

## **COLLEGE/CAREER DAYS INFORMATION**

Jennings County High School encourages juniors and seniors to visit college campuses during the decision-making process in selecting a college. Most colleges, trade schools, technical schools, and other educational programs conduct organized visitation days for high school students on Saturdays and Sundays. Students are encouraged to attend those weekend programs whenever possible. However, if a student needs to visit a college campus during school time, the following procedure must be used:

- Plan your visit in advance. Write or call ahead for an appointment with the Admissions and the Financial Aid Office, and with other people on campus whom you need to see.
- JCHS allows two (2) days for juniors and three (3) days for seniors to make college visitation during school time.
- While on campus, the student must get a signed form (on letterhead) from the college specifically stating they were on a college visit that day
- Upon returning to school, the completed form must be submitted to the attendance office.

No excused passes will be issued for college days without presenting a properly completed and signed Visitation Form to the attendance office.

NOTE: College/Career days may also be used for career exploration and military testing purposes. If you have further questions about this matter, contact your counselor.

## **COLLEGE NIGHT PROGRAM**

There will be a College Night Program in October at JCHS. Representatives from many Indiana and out-of-state colleges, trade/technical schools, and other post-secondary programs will provide information to students and parents. This is a chance for sophomores and juniors to begin their exploration of educational options beyond high school. It also gives seniors the opportunity to ask questions that they may have as they go through the college application process. Additionally, throughout the year many college representatives come to JCHS to meet students during the day. These visits are publicized in the bulletin and interested students must sign up in the guidance office to attend these sessions.

## **FINANCIAL AID FOR COLLEGE**

Financial Aid for college comes in the forms of scholarships, grants, loans, or work-study. Getting the necessary information to apply for financial aid and meeting mandatory deadlines is extremely important. Financial aid comes from three primary sources: federal and state programs, college/university programs, and the private sector. Most financial aid is available only when a family can show a need for financial assistance. There are some financial aid programs not based on financial need, but upon academic excellence or particular talents (art, music, athletics, etc.).

Information about financial aid opportunities can be obtained by contacting the college financial aid office, obtaining information from printed material in the guidance office, library, success center, and by listening to the announcements on the daily bulletin.

In the fall, the school will conduct a Financial Aid Night which informs families about the financial aid process, important deadlines, and how to complete the Free Application for Federal Student Aid (FAFSA). In addition JCHS hosts College Goal Sunday in November & February. Financial aid experts from college are available to assist families in completing FAFSA. There are several documents that must be completed to apply for aid. Colleges and universities, private providers, and local organizations all have documents to be completed. One of the most important documents is the FAFSA, and in the case of some private colleges, the Financial Aid Form (FAF). These forms are used to evaluate a family's ability to pay for its child's college education. Most financial aid cannot be obtained unless a FAFSA has been submitted. The FAFSA can be completed and submitted after October 1st of the senior year - BUT MUST BE SUBMITTED BY MARCH 10th to be eligible for most financial aid.

There are several local organizations, businesses, and trust funds that provide scholarships. The application process for most scholarships is during the month of March. FAFSA's and applications can be obtained from the guidance office.

## **PSAT/NMSQT TEST INFORMATION**

Sophomores and juniors have an opportunity to take the PSAT/NMSQT each fall. Taking the PSAT/NMSQT serves two purposes for students: (1) a warm-up for taking the ACT or SAT, and (2) to qualify for scholarship programs.

The PSAT/NMSQT may be taken by juniors and sophomores, but only the junior year's selection index score is applicable to the National Merit Scholarship Program. Juniors who are even remotely considering college are encouraged to take the PSAT. It will be given here in October at Jennings County High School. The fee is \$4.00 and will be paid by the state.

The test consists of verbal and math selections which test academic skills considered essential for college success. Students also have the option of participating in the College Search Program which might help them to identify schools which work with students with their particular level of skills, interests and abilities.

### III. ATTENDANCE

Regular school attendance will aid greatly in promoting the success of students. The educational process requires a continuous sequence of instruction and when broken by a period of absence, this instruction can never be fully regained by extra work. The regular contact of students with one another in the classroom and their participation in learning activities under the supervision of a qualified teacher will assist each child in attaining his or her maximum potential. The primary purpose of this attendance policy is to develop a sense of responsibility, to promote punctuality, to develop traits of good citizenship, and to enhance academic success. It is with these purposes in mind that this attendance policy and the implementation procedures described are approved.

The attendance policy governing the high school and middle school would consist of the following:

1. In order for an absence to be excused, the parent/guardian must call the attendance office, send a note from home, or provide a medical excuse within **2 days following the absence**. The parent/guardian must make prior arrangements for absences due to special events or personal business **3 days prior to the absence**.
2. Upon the third and seventh absences, a letter will be sent home to the parent/guardian notifying them of their student's excessive absenteeism and reinforcing the importance of good attendance.
3. Upon the tenth unexcused absence, the student will be placed on an attendance agreement. The student will also be required to see his/her administrator to discuss his/her attendance. Any absence beyond the tenth day must be for medical or dental appointments, serious illness, injury, or death to a member of the student's immediate family. Extenuating circumstances will be taken into consideration by the principal or his/her designee. Any student who accumulates ten days of absences will be prohibited from attending field trips or college days, unless they receive administrative permission due to extenuating circumstances.
4. Any absence after the 10th unexcused day can/will result in being referred to the corporation's Attendance Council and appropriate disciplinary action unless excused by a doctor's note:
5. Severe cases of poor attendance may be prosecuted under Indiana's compulsory attendance laws.
  - a. Sec. 4(a) If a child who is an AFDC recipient fails to meet the school district's standards for attendance because of unexcused absences as defined by the school district, an evaluation of the circumstances shall be completed to determine the reasons for the child's attendance problems, establish milestones for attendance, and re-address problems associated with an inadequate level of attendance. (b) AFDC benefits shall be reduced by ninety dollars (\$90) per month if the parent or caretaker relative fails or refuses, without good cause, to comply with the written plan developed under subsection (a) and the child's school attendance in any subsequent report period is at an unacceptable level.

#### ABSENCE CLASSIFICATIONS

Absences will be classified as excused, unexcused, or truant depending on the reason for the absence.

- A. **EXCUSED** - A student will be excused for the following reasons:
  - a. Personal illness up to 10 total days without a doctor's note and must include parent phone call or note.
  - b. Personal, medical or dental appointments. (Medical note is required within **2 days of the absence**. Also, the medical note should specify the amount of time that the student should be absent from school.)
  - c. Serious illness or death in the immediate family.
  - d. Students may be excused for other reasons if the parent makes a request in writing in a timely fashion PRIOR to the requested absence. The school may approve an absence without prior notice if circumstances reasonably prevented the student from having obtained prior permission. Approval will be contingent upon attendance history and academic standing.
  - e. If a school bus is unable to reach a bus pick-up due to poor road conditions, flooding, or other issues and cannot pick-up a child and the child has no other means whereby he/she may be transported to school; that child's absence will be considered a weather omission day.
  - f. The following are excused days not counted toward the ten day absence limit:
    1. Absences covered by a doctor's written statement verifying each date of absence.
    2. Death in immediate family.
    3. Work rendered on election (required documentation) or work rendered as a legislative page.
    4. Court subpoena.
    5. College visit.
    6. Field trips.
- B. **Unexcused** - All other absences from school will be considered unexcused. Students with unexcused absences or who are on an attendance agreement may not be allowed to attend field trips.

- C. Truant - A student will be considered truant if he or she is absent from school all or part of a day if:
1. The absence is without the prior knowledge and consent of either the parent or the school.
  2. A "fictitious" phone call is received by the school excusing the absence.
  3. A forged note is received excusing an absence.
  4. The student forges or alters a pass.
  5. A student is released to another room, office, or assigned area and the student does not report and/or does not stay after reporting.
  6. A student is found in an unauthorized hallway, room, or area without a valid pass.
  7. A student leaves school grounds once they arrive, or leaves the building once they have entered without permission from a principal or designee.

On the fifth truancy (this includes both out of school and out of class trancies) the student can be placed on 10 days OSS pending a due process hearing. A student who commits an act of truancy will receive no make-up work.

### **SEVENTH EXCUSED/UNEXCUSED ABSENCES**

The principal sends a parent/guardian a notification letter indicating that the student has missed seven days.

### **EIGHTH UNEXCUSED ABSENCE**

The Principal sends parent/guardian a letter requesting him/her to attend a conference with school officials at which time an attendance success plan will be created and signed. The parent and student may need to meet with a school counselor. IF the parent/guardian does not attend the attendance success plan meeting, a copy will be mailed to the parent by certified mail for notification. If the student success plan is not followed and additional absences occur, a student may be referred to the JCSC attendance committee.

### **TWELFTH EXCUSED (not medically verified) ABSENCE**

The Principal sends parent/guardian a letter requesting him/her to attend a conference with school officials at which time an attendance success plan will be created and signed. The parent and student may need to meet with a school counselor. IF the parent/guardian does not attend the attendance success plan meeting, a copy will be mailed to the parent by certified mail for notification. If the student success plan is not followed and additional absences occur without medical verification, a student may be referred to the JCSC attendance committee.

Parent must provide the principal with a medical statement for every absence verifying they were seen by a physician and the statement **cannot be backdated**. Also, the parent may bring the child to school and he/she may be excused by the school nurse.

OR Principal may grant excused absence for valid reason at the principal's discretion.

### **ACTIONS THAT MAY BE TAKEN BY THE JCSC ATTENDANCE REVIEW COMMITTEE :**

Request that the Division of Family and Children consider possible reduction of Temporary Assistance for Needy Families benefits.

AND/OR Request that a police officer formally investigate, sending a copy to the parent/guardian, Probation Department, superintendent, principal, and Department of Child Services

AND/OR The Probation Department may file a juvenile delinquency petition alleging truancy or completes an informal adjustment with family at the request of the prosecutor.

AND/OR Request or file an affidavit against the parent/guardian for educational neglect.

AND/OR Request that the Prosecuting attorney initiate legal action against parent and/or child; court hears case. Recommend the student for retention in current grade.

AND/OR It is very important that you understand that it is your responsibility, as a parent or guardian, to ensure that your child regularly attends school as required by law. When a student accumulates more than ten unexcused absences, the student will be deemed "habitually truant". This is defined in Indiana State Statute 20-33-2-11(b)(1).

A letter will be delivered in conjunction with and will be part of a criminal investigation that will list you as a "involved person." In the event that your child is absent from school and does not meet the requirement for an excused absence, the case will be formally prepared for prosecution in the Circuit Court of Jennings County

This letter will serve as your only notice that any further unexcused absences during the current school year could result in your arrest and subsequent prosecution for violation of Indiana Code 20-33-2-28. If convicted, you could receive up to 2.5 years in jail and a fine of up to \$10,000.

## **ABSENTEEISM**

In order for an absence to be excused the parent/guardian must call the attendance office, send a note from home or provide a medical excuse within **2 days following the absence**. The parent/guardian must make prior arrangements for absences due to special events **3 days prior to the absence**.

Upon the third unexcused absence a letter will be sent home to the parent/guardian notifying them of their student's excessive absenteeism and reinforcing the importance of good attendance.

Upon the tenth absence, the student will be placed on an attendance agreement.

Any absence beyond the tenth day during the entire school year must be for medical or dental appointments, serious illness, and injury to the student or funerals to be excused for the student to receive make-up work. Extenuating circumstances will be taken into consideration by the principal or his designee.

Any student who accumulates ten days of absences will be prohibited from attending field trips or college days, unless they receive administrative permission due to extenuating circumstances.

### **Work permits may be revoked due to poor attendance.**

Severe cases of poor attendance may be prosecuted under Indiana's Compulsory Attendance Laws.

## **ATTENDANCE REQUIREMENT**

If a student who is an AFDC recipient fails to meet Jennings County School's standards for attendance because of unexcused absences, AFDC benefits shall be reduced by ninety dollars (\$90) per month if the parent or guardian fails or refuses to comply with the school and the student's attendance is at an unacceptable level. The Jennings County School District considers three (3) unexcused absences as unacceptable.

## **STUDENT RESPONSIBILITY**

1. It is the student's responsibility to remind their parent/guardian to call the school on the day the student is absent. When such a call has been made, students are to report directly to class when they return to school.
2. When a student returns to school following an absence and there has been no parent/guardian contact, the student will be unexcused for that day or the portion of the day missed.
3. When a student returns to school following an excused absence, the student is responsible for asking the teacher for make-up work in each class. Failure to ask for make-up work or failure to satisfactorily complete and turn in make-up work within the time allotted will result in a loss of credit for missed work. Following an absence, it is the student's responsibility to obtain assignments from ALL teachers from classes missed due to their absence.
4. SCC students are expected to follow the same attendance procedures as all other students. Morning cosmetology students who have appointments in the afternoon still need their parent to make arrangements with the attendance office prior to the appointment.

## **PARENT RESPONSIBILITY**

On the day that a student is absent from school, it is the responsibility of the parent/guardian to call the school ATTENDANCE OFFICE 346-4081 and report the reason for the student's absence. Calls are to be made within 2 days of the absence.

If parent/guardian does not have access to a phone or calling school would create a hardship or problem, he/she should contact the attendance office so arrangements can be made to accept notes in lieu of phone calls.

In the event of an extended absence (3 or more days) from school, the parent/guardian should contact the JCHS Guidance Office at 346-5625 to request homework. The attendance office still needs to be notified for absence-reporting purposes.

**Parent phone calls and notes will only be counted as EXCUSED absences for up to 10 days. Absences beyond 10 must be accompanied by a medical note.**

## **TARDINESS-STUDENT RESPONSIBILITY**

1. Students considered to be tardy if they are not in their assigned seat, classroom, or work area when the tardy bell rings or they arrive late to class without a pass.
2. Students tardy to first or fifth period must report to the attendance office before going to first or fifth period.
3. All student tardies are to be reported to the attendance office. After the fifth cumulative tardy, in each class students will receive after school detention. Upon the tenth tardy and any following the tenth, students will begin receiving appropriate disciplinary action up to and including Saturday School and/or ALSO.

## **LATE ARRIVAL TO SCHOOL**

All students who arrive at school after 8:25 a.m. must report to the attendance office. If a student fails to report to the attendance office when they arrive late to school, absences in the missed classes will be considered as unexcused. This procedure includes morning SCC students. Students who are habitually late to school may lose their driving privileges. Any student arriving after 1<sup>st</sup> or 5<sup>th</sup> period without parent notification will be considered truant.

## EARLY DISMISSAL

1. Any student who needs to leave school early must receive approval to leave from the attendance office or health center. **A picture ID is required at all times when picking up any student from the high school.**
2. When a student leaves school early for an appointment, verification of the appointment is required to be excused.

## PERFECT ATTENDANCE

To qualify for a perfect attendance certificate, a student must be enrolled for the entire year, and not record any absences and have no more than (1) tardy to any class during the year. Habitually going to the health center, or leaving school early would disqualify a student for a perfect attendance certificate.

## COMMENDABLE ATTENDANCE

To qualify for a commendable attendance certificate, a student must be enrolled for the entire year and not record more than ½ day absence out of classroom for any reason and no more than (1) tardy to any class the entire year. Repeated requests to leave school early may disqualify a student from commendable attendance.

## CLOSED CAMPUS

Students coming on campus are to remain in the school building for the rest of the school day. Students are not allowed in parking lot areas. Permission from the attendance office must be obtained before a student may leave the school grounds during the school day.

# IV. STUDENT CODE OF CONDUCT

This Code of Conduct has been prepared to better acquaint you with the rules and policies of Jennings County High School and the Jennings County School Corporation.

Jennings County School's Board of Education has set policies and appointed administrative personnel to carry them out. These rules and regulations are in effect from the time that the student departs for school and returns home from school.

## SCHOOL DISCIPLINARY ACTIONS

School personnel, including members of the administrative staff, teachers or other school staff members who have students under their charge may take disciplinary action that is necessary to ensure a safe, orderly, and effective educational environment. Disciplinary action may include the following:

1. **PERIOD DETENTION:** Students will be sent to the Guidance Office for period detention. This is a counseling step intended to correct the student's behavior. Students sent to period detention for a second time will be issued detention to be served after school until 4:00 P.M. on the next Friday. Students who fail to attend are assigned Saturday School. Subsequent referrals to period detention may result in the assignment of after-school detention, Saturday School or out-of-school suspension.
2. **MORNING/ LUNCH DETENTION:** Students may be assigned morning or lunch detention for various acts of misconduct.
3. **AFTER-SCHOOL DETENTION:** Students may be assigned to an after-school detention for misconduct from 3:15 P.M. to 4:00 P.M. on Tuesdays and Thursdays. Students are required to bring study materials and work during the duration of the detention. Failure to attend after-school detention will result in further disciplinary action.
4. **RESTART / ACEP:** These programs may serve as an alternative to student expulsion. Expelled students may be recommended to the Restart committee by a building administrator or expulsion examiner.
5. **SATURDAY SCHOOL:** Students may be assigned to a Saturday School detention for various acts of misconduct. Students are required to bring study materials and work during the duration of the detention which is held from 8:00 A.M. to 11:30 P.M. Failure to serve Saturday School will result in one day of ALSO being assigned.
6. **ALSO:** This program is an alternative to suspension. A student assigned to the ALSO program must report to the assigned location in order to complete daily assignments.
7. **OUT OF SCHOOL SUSPENSION:** Students may be assigned out of school suspension for one or more days.

## OTHER DISCIPLINARY ACTIONS

Other disciplinary actions may include the following:

1. Counseling with a student or group of students
2. Conferences with a parent or group of parents
3. Assigning additional work
4. Rearranging class schedules
5. Requiring a student attendance before/after regular school hours for detention or for counseling.
6. Restricting extracurricular activities
7. Removal of a student by a teacher from that teacher's class for a single class period if the student is assigned regular or additional school work to complete in another school setting

8. Assignment by the principal of:
  - A. a special course of study;

  - C. an alternative school
9. Assignment by the principal of the school where the recipient of the disciplinary action is enrolled of not more than one hundred twenty (120) hours of service with a nonprofit organization operating in or near the community where the school is located or where the student resides.
  - A. A principal may not assign a student under this subdivision unless the student's parent or guardian approves the nonprofit organization where the student is assigned and the community service plan.
  - B. Assignment of community service suspends the implementation of a student's suspension or expulsion. A student's completion of assigned community service to the satisfaction of the principal and the nonprofit organization terminates the student's suspension or expulsion.
10. Removal of a student from school sponsored transportation.

### **ACADEMIC DISHONESTY**

This includes cheating and helping another student to cheat. Academic Dishonesty is a serious offense that will be dealt with severely. The first case of academic dishonesty will result in a 0% grade being given for the particular assignment. The second offense will result in a 0% in the class for the 9 weeks grading period and a possible failing grade (F) for the class. Parents will be notified immediately by the teacher of any occurrence of academic dishonesty.

### **DOG INTERDICTION PROGRAM**

This program was implemented in order to ensure that JCHS is free of drugs and violence. Dogs are used to sniff lockers, backpacks/bags, hallways, classrooms, and motor vehicles. Students, faculty and staff are notified over the P.A. system when this program is in progress. If anything is found that is illegal, the student, parent/guardian and law enforcement officials are notified immediately.

### **STUDENT DRESS CODE**

Students are expected to dress within the bounds of decency, cleanliness, and safety. Students will not be permitted to dress in a manner which is lewd, vulgar, indecent, offensive, or disruptive to the educational process. If a student fails to follow or adhere to this policy, they will first be asked to change/address the issue. If the student is still non-compliant, the result will be a suspension from school until said requirements are met.

Shorts, dresses, and other similar articles of clothing are acceptable. However, they should not be so short as to cause a disruption. No bare midriffs will be allowed for ladies or gentleman. No tops causing an educational disruption, including but not limited to tops with straps too narrow, see-through tops, low-cut tops, backless tops, tops exposing undergarments, should be worn while in class or during the normal school day. Leggings or tights may be worn with shorts or appropriate length skirts, shirts, dresses, etc. but may not be worn by themselves. Excessively ripped or torn clothing is not appropriate. Clothing with insignias or words referencing alcohol, tobacco, drugs, profanity, or clothing of a suggestive nature is also deemed inappropriate. Students may not wear wallet-chains or chains as accessories which could be used as a weapon. No jewelry with spikes will be allowed; no jewelry which could be a danger to others or that could be used as a weapon will be permitted. Jewelry that causes a disruption to the educational process should not be worn (i.e. no jewelry can be worn during PE). No hats, hoods, sunglasses, or bandanas unless otherwise approved by the administration as a part of a school activity will be worn in class or during the normal school day. Coats will be at the discretion of the individual classroom teacher depending on the time of year and climate in the classroom. For reasons of safety and general health, shoes should be worn at all times.

No clothing which endorses a violation of school policy, an immoral or illegal action, or which may suggest or demonstrate any association with gangs, gang recruiting or gang-activity (Indiana Code 20-33-9-10.5) is permitted.

No clothing/item of dress which causes a disruption to the educational process will be permitted in class or during the normal school day.

If a student or parent is unclear whether a particular article of clothing is acceptable at Jennings County High School, please contact administration prior to wearing said clothing to school.

## GROUNDS FOR SUSPENSION OR EXPULSION

Severe student misconduct or substantial disobedience constitutes grounds for suspension or expulsion. The following include examples of student misconduct or substantial disobedience, but are not limited to:

1. Using violence, force, noise, coercion, threat, intimidation, fear, passive resistance, or other comparable conduct constituting an interference with school purposes, or urging other students to engage in such conduct.

The following enumeration is only illustrative and not limited to the type of conduct prohibited by this subdivision:

- A. Occupying any school building, school grounds, or part thereof with intent to deprive others of its use.
  - B. Blocking the entrance or exits of any school building or corridor or room therein with intent to deprive others of lawful access to or from, or use of the building, corridor, or room.
  - C. Setting fire to or damaging any school building or property.
  - D. Prevention of or attempting to prevent by physical act the convening or continued functioning of any school or education function, or of any meeting or assembly on school property.

2. Causing or attempting to cause damage to school property, stealing or attempting to steal private property.
  3. Intentionally causing or attempting to cause physical injury or intentionally behaving in such a way as could reasonably cause physical injury to any person. Self-defense or reasonable action undertaken on the reasonable belief that it was necessary to protect some other person does not, however, constitute a violation of this provision.
  4. Harassing, threatening or intimidating another person. "Harassing" behavior is behavior directed toward another person for non-school purpose after that person has clearly indicated the behavior is unwelcome.

For purposes of this rule, a destructive device is: a: an explosive, incendiary, or overpressure device that is configured as a bomb, a grenade, a rocket with a propellant charge of more than four ounces, a missile having an explosive or incendiary charge of more than one-quarter ounce, a mine, a Molotov cocktail, or a device that is substantially similar to an item described above, b: a type of weapon that may be readily converted to expel a projectile by the action of an explosive or other propellant through a barrel that has a bore diameter of more than one-half inch, or c: a combination of parts designed or intended for use in the conversion of a device into a destructive device. A destructive device is NOT a device that, although originally designed for use as a weapon, is redesigned for use as a signaling, pyrotechnic, line throwing, safety, or similar device.

6. Possessing, using, transmitting, or being affected by any controlled substance, prescription drug, narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, intoxicant or depressant of any kind, or any paraphernalia used in connection with the listed substances. Also prohibited is the consumption of any of the stated substances immediately before attending school or a school function or event. Exception to Rule 6: A student with a chronic disease or medical condition may possess and self-administer prescribed medication for the disease or condition if the student's parent has filed a written authorization with the building principal. The written authorization must be filed annually. The written authorization must be done by a physician and must include the following information:

  - B. The nature of the disease or medical condition requires emergency administration of the prescribed medication.
  - C. The student has been instructed in how to self-administer the prescribed medication.
  - D. The student is authorized to possess and self-administer the prescribed medication.

Any student known to be dealing, buying, selling, or dispersing alcohol or any type of illegal drug, or any student in possession of enough drugs to constitute a felony will be recommended for expulsion from school for two (2) semesters. His/her parent/guardian and the police will be notified.

Any student who is a first time offender for possessing, using, or being under the influence of alcohol or any type of illegal drug at school or at school related activities will be suspended for ten(10) days and the administration will recommend either (a) expulsion or (b) assignment to the Restart Program. When considering expulsion versus Restart, such factors as attendance, grades, and previous behavior, among other things, will be considered.

If a student is assigned to the Restart Program, the assignment will be for a minimum of one (1) semester. If a student is recommended for placement in the Restart program during the last nine-week grading period of a semester, he/she will complete the current semester and continue in Restart for the entirety of the following semester.

If the student and parent/guardian fail to comply with any of the following requirements, the student will immediately be expelled from the Jennings County School Corporation as per the Parent Waiver of Due Process Rights: Probationary Continued Education Agreement signed at the intake meeting.

The student must attend the interdiction program until release by the interdiction counselor. All costs will be borne by the parent/guardian.
- B. The student and parent/guardian must agree to a minimum of two (2) drug/alcohol tests per semester during the student's assignment to Restart. School officials will determine when testing is to be conducted. All costs will be borne by the parent/guardian.
- C. The student and parent/guardian must sign the Parent Waiver of Due Process Rights: Probationary Continued Education Agreement at the Restart intake meeting.
- D. If a special education student is recommended for expulsion from Restart, a case conference will be scheduled to review the current IEP and explore other educational alternatives.

Any second offender of the Jennings County Schools' Substance Abuse Policy will be recommended for expulsion from school for two (2) semesters.

7. Possessing, using, dispensing, or transmitting any mood altering or mind altering substance which is represented to be or look like or act in the same or similar fashion to any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, stimulant, depressant, or intoxicant of any kind. This would include "herbal" substances as well as any synthetically designed chemical that would in any way mimic any illegal controlled substance or other substance that would lead to an "altered state". This would include but not be limited to "White Lightening", "K-1", or "Salvia". 11. Engaging in any activity forbidden by the laws of Indiana that constitutes an interference with school purposes or an educational function. This includes but is not limited to bomb threats, false reporting of 911, and pulling a fire alarm.
12. Violating or repeatedly violating any rules that are reasonably necessary in carrying out school purposes or an educational function and are validly adopted in accordance with Indiana law, including, but not limited to:
  - A. Engaging in sexual behavior on school property or at any school-sponsored activity;
  - B. Disobedience of administrative authority;
  - C. Willful absence or tardiness of students;
  - D. Possessing, using, or transmitting any substance which is represented to be or look like a narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, stimulant, depressant, or intoxicant of any kind;

  - F. Possessing, using, transmitting, or being affected by any non-prescription drug.
  - G. Failing to submit any medications either prescription or non-prescription to the school nurse.

13. Possessing, handling, or transmitting any firearm, destructive device, or weapon on school property.
- A. The penalty for possession of a firearm or a destructive device is a 10-day suspension and expulsion from school for at least one calendar year. The superintendent may reduce the length of the expulsion if the circumstances warrant such reduction.
  - B. The superintendent shall immediately notify the appropriate law enforcement agency when a student is expelled under this rule.
  - C. Possessing a deadly weapon.
    - No student shall possess, handle or transmit any deadly weapon on school property.
    - The following devices are considered to be deadly weapons as defined in I.C. 35-41-1-8:

      - an animal readily capable of causing serious bodily injury and used in the commission or attempted commission of a crime.
    - The penalty for possession of a deadly weapon: up to 10 days suspension or expulsion from school for a period of up to one calendar year.
    - The superintendent shall immediately notify the appropriate law enforcement agency when a student is expelled under this rule.

The grounds for suspension or expulsion listed above apply when a student is:

1. On school grounds immediately before, during, and immediately after school hours and at any other time when the school is being used by a school group;
2. Off school grounds at a school activity, function, or event, or
3. Traveling to or from school or a school activity, function, or event.

In addition to the grounds listed above, a student may be suspended or expelled for engaging in unlawful activity on or off school grounds if the unlawful activity may reasonably be considered to be an interference with school purposes or an educational function, or the student's removal is necessary to restore order or protect persons on school property. This includes any unlawful activity meeting the above criteria which takes place during weekends, holidays, other school breaks, and the summer period when a student may not be attending classes or other school functions.

Student Due Process procedures may be instituted for violation or repeated violations of student conduct rules involving fighting, usage of tobacco products, failure to comply with reasonable requests, and attendance/truancy regulations.

Students who are in possession of a weapon on school grounds or at a school sponsored event will be expelled from school for a period of one year in accordance with adopted school policy and Indiana Code.

## **GROUND FOR EXCLUSION**

Any student may be excluded from school in the following circumstances, subject to the procedural provisions of Indiana Law:

1. If the student has a dangerous communicable disease transmissible through normal school contact that poses a substantial threat to the health or safety of the school community.
2. If the student's immediate removal is necessary to restore order or to protect persons on school corporation property. This shall include conduct off school property where on account thereof the student's presence in school would constitute an interference with an educational function or school purposes.

## **DUE PROCESS**

Due process is guaranteed to individuals by the Fourteenth Amendment of the Constitution. Due process in education implies that rules and regulations of schools are published and distributed; that students know and understand these rules and regulations; that when a student is believed to have violated a rule or regulation, he or she is confronted with this belief and given the opportunity to respond to the accusation; that when rules or regulations are violated, certain consequences may occur, and that, if expulsion or exclusion from school is a recommended consequence, and if the student or his/her parent wishes, a hearing must be held by a hearing examiner. Appeals to the School Board and to the civil courts may follow in sequence.

## SUSPENSION PROCEDURES

When a principal or designee determines that a student should be suspended, the following procedures will be followed:

1. A meeting will be held prior to the suspension of any student. At this meeting, the student will be entitled to:
  - A. A written or oral statement of the charges;
  - B. If the student denies the charges, a summary of the evidence against the student will be presented; and,
  - C. The student will be provided an opportunity to explain his or her conduct.
2. The meeting shall precede suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of the suspension.
3. Following the suspension, the parents or guardians of suspended students will be notified in writing. The notification will include the dates of the suspension; describe the student's misconduct, and the action taken by the principal.

## EXPULSION/EXCLUSION PROCEDURES

When a principal or designee recommends to the superintendent or designee that a student be expelled from school, the following procedures will be followed:

1. The superintendent or designee may conduct an expulsion meeting, or may appoint one of the following persons to conduct the expulsion meeting:
  - A. Legal counsel
  - B. A member of the administrative staff who did not expel the student during the current school year and was not involved in the events giving rise to the expulsion.
2. An expulsion will not take place until the student and the student's parent/guardian are given notice of their right to appear at an expulsion meeting conducted by the superintendent of the person designated above. Failure by a student or student's parent to request and to appear at this meeting will be deemed a waiver of rights administratively to contest the expulsion or to appeal it to the school board.
3. The notice of the right to an expulsion meeting will be in writing, delivered by certified mail or by personal delivery, and contain the reasons for the expulsion and the procedure for requesting the meeting.
4. At the expulsion meeting, the principal (or designee), will present evidence to support the charges against the student. The student or parent will have the opportunity to answer the charges against the student, and to present evidence to support the student's position. **An attorney may not represent the student at the expulsion meeting, but the attorney may be available for consultation outside the meeting room during the course of the meeting at the discretion of the hearing officer.**
5. If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate, and give notice of the action taken to the student and the student's parent.

## BUS TRANSPORTATION

Students riding school buses are subject to the school rules and regulations. These rules and regulations are in effect from the time that the student departs for school and returns home from school. Proper conduct is an important factor for the safety of all children riding buses. The school bus driver shall be responsible for discipline on the bus, just as the teacher is in the classroom. Upon the recommendation of the bus driver, school authorities may deny the privilege of riding on the school bus to any student who refuses to conduct themselves in an acceptable manner on the bus. A notification to parents in the form of a school bus discipline report should be followed for any misbehavior which distracts the driver. Driving a school bus is a serious profession and we are concerned for the safety of everyone.

### **BUS CONDUCT DISCIPLINE PROCEDURE**

Riding Jennings County School's buses are a privilege. All students deserve a safe, undisrupted ride to and from school. It is the function of the driver to make certain that the bus is safe for all students and it is the function of the individual school administrators to support the drivers when they have problems with student behavior on the bus. The following guidelines are for students of Jennings County Schools that ride buses to and from school. These guidelines are meant to provide a general outline for drivers and administrators to follow when disciplining students. Drivers and administrators are not bound by these guidelines and need not follow them in every case. All disciplinary problems will not fall under these categories and drivers and administrators must frequently use their own judgment when resolving these situations. Likewise though the guidelines are listed in order, this does not mean that this order must be strictly adhered to. Under certain circumstances due to the severity of an infraction, steps may be skipped to address the seriousness of the incident. In addition, any school rule which is violated while riding the bus may also carry additional consequences such as detention, after school detention, out of school suspension, and/or expulsion from school.

The Bureau of Motor Vehicles may not issue an operator's license or a learner's permit may not be issued to a person less than eighteen (18) years of age who:

The Bureau of Motor Vehicles will invalidate a student's license or permit for the reasons listed above.

The Student's license will be revalidated upon the earliest of one of the following events:

- (1) The person becomes eighteen years of age.
- (2) One hundred twenty (120) days after the person is suspended.
- (3) The suspension, expulsion, or exclusion is reversed after the person has had a hearing.

After driver's license has been revoked, the person may file a petition that requests a hearing in any circuit, superior, county, or municipal court.

This policy is not exclusive to Jennings County High School. It is an Indiana State Law and will apply to all high school students in the State of Indiana.
